

Best Large Monument

Name or Description on Memorial: Caspor Memorial

Type/Color of stone (ex. Granite, Bahama Blue): Rock of Ages Starlight Black Granite

Overall height and width: 66" x 14" x 56"

Please write a brief story behind the design, describing the meaning of symbols, shapes and lettering.

The monument shows a strong connection between parents and their daughter, but shows the empty space she leave in their hearts when her life was cut short.
