Name or Description on Memorial: Clausen

Type/Color of stone (ex. Granite, Bahama Blue): Granite, Premium Black

Overall height and width: 24" x 18" x 4"

Please write a brief story behind the design, describing the meaning of symbols, shapes and lettering.

An outdoorsman and lifelong Oregonian Mr. Clausen wanted a memorial for himself that didn't look like all the others. We came up with a memorial that encompassed his passions. We started with the shape of the memorial, having it cut in the shape of Oregon. We added an outdoor design that reminded him of the Cascades and enhanced it with texturing.
