

Entry #33

Name or Description on Memorial: Nolan Kane Memorial

Type/Color of stone (ex. Granite, Bahama Blue): Granite

Overall height and width: 36" Tall, 48" wide

Please write a brief story behind the design, describing the meaning of symbols, shapes and lettering.

This monument was designed in conjunction with Nolan's family to honor his life. Nolan was an avid sports fan, leading to the diamond shape and cardinal. This symbolizes Nolan's love of baseball and the St. Louis Cardinals. This unique shape allowed us to create a very special memorial to Nolan and his life.

NOLAN JOSEPH

KANE

JULY 12, 1992
JUNE 14, 2006

SON OF BILL & JEANIE BROTHER OF JACKSON, DREW & REESE
