---

**Name or Description on Memorial:** Allen

**Type/Color of stone (ex. Granite, Bahama Blue):** India Black Granite

**Overall height and width:** 2-4 x 1-4 x 0-4

**Please write a brief story behind the design, describing the meaning of symbols, shapes and lettering.**

After losing their son in an auto accident, Ben's parents wanted a design that was as unique as he was. A huge fan and collector of Dungeons and Dragons and medieval lore, the family wanted to represent that as well. The design is an original and all toning was accomplished by hand.
